Mr. Smith reviewed the Arbor Day event and the Earth Day event and stated how well both events. He stated he like how they were able to get the kids more involved this year by letting them choose their tree and help prepare it for them to take home. The Earth Day event had a great turnout and there was a tree giveaway put on by the Tree board. There was alot of interest in the saplings and any that were left were passed out at the Chamber of Commerce throughout the following week.
